FINDINGS OF FACT AND CONCLUSIONS OF LAW

This matter comes before the Zoning Commissioner as a Petition for Special Exception for property located adjacent to Dogwood Road in the Woodlawn community of western Baltimore County. The Petition was filed by Chan Suk Kwon and Gilbert Allis, property owners, and Lorraine Park Cemetery Company, Contract Purchaser. Special Exception relief is requested to approve the use of the subject property as a cemetery, to be added to an existing cemetery located adjacent thereto known as Lorraine Park Cemetery. The subject property is more particularly shown on the plat to accompany the Petition for Special Exception, marked as Petitioners' Exhibit No. 1.

Appearing at the requisite public hearing held for this case were Gilbert Allis, co-Petitioner, Melanie Moser of Daft, McCune, Walker, Inc., the preparers of the plan, and David K. Gildea, Esquire, counsel for the Petitioners. There were no Protestants or other interested persons present.

Testimony and evidence presented was that the subject property is approximately 2.409 acres in area, zoned D.R.5.5. The property is actually comprised of 36 lots of record as originally set out in the plat of the subdivision known as Windsor Terrace. The lots at issue are numbered 1 thru 16 and 21 thru 25 of block 6, and 1 thru 15 of block 28. The subject parcel at issue is actually bisected by 4 lots (Nos. 17 thru 20 of the Windsor Terrace subdivision) which are not owned by these Petitioners but are owned by Baltimore County.

Presently, the property is unimproved.

As noted above, the subject tract is immediately adjacent to the grounds of the Lorraine Park Cemetery, which has existed at this location for many years. Lorraine Park

ORDER RECEIVED FOR FILING

Date

Cemetery proposes acquiring the subject property to obtain additional land for cemetery use. It is not anticipated that any buildings or other improvements will be made to the property, rather the site will be used for individual graves.

Clearly, the use of the subject parcel for the proposed purpose is appropriate. As noted above, the existence of the cemetery next door is conclusive to a finding that the proposed expansion is consistent with the character of the neighborhood and will not be detrimental to the health, safety or general welfare of the community. Thus, the Petition for Special Exception shall be approved.

It is to be noted that a Zoning Plans Advisory Committee (ZAC) comment was received from the Department of Environmental Protection and Resource Management (DEPRM). That comment identifies the department's general requirement that development of the property must comply with the regulations for the protection of water quality, streams, wetlands and floodplains, and the Forest Conservation Regulations. Additionally DEPRM indicated that the location of the 25 ft. stream buffer, as shown on the plan, was incorrect. This assertion was challenged by the Petitioners' expert witness, Melanie Moser, at the hearing. I will leave this issue to be resolved by the Petitioners after negotiation and consultation with DEPRM.

Pursuant to the advertisement, posting of the property and the public hearing on this Petition held, and for the reasons given above, the relief requested shall be granted.
